Hi Elizabeth,

I can field any logistical questions or ideas for our August 3rd event. Does tomorrow 3 pm work for a phone conversation?

Hi Damon & Chris.

I had an initial discussion with our internal events coordinator and she has some great potential ideas as well as some logistics questions, which I thought would be best to discuss over a call. Do you have any availability tomorrow or Thursday for a call so that we can resolve what EPA might be able to contribute to this Passaic River event? If so, please let me know and I'll go ahead and set up a conference line.

Thanks,

Elizabeth

Chris, FYI Elizabeth Butler (cc'd) is looking into whether the EPA can set-up and staff a table on 8/3 with information on river clean-up.
